as to why action should not be taken under Section 20 of Education Act, 1984 for the said act of irregularities and malfunctioning of the school.

And whereas the reply dated 14-2-92 received from the management was examined by Government in detail and the same was found to have failed to assure any concrete action on part of the management to normalise the situation in the school.

And whereas Government is convinced of the circumstances which call for immediate taking over of the school management by invoking the provision of Sub-Section (1) of Section 20 of the Education Act, 1984.

Memorandum

No. DE/Acad. I/NEZ. PE/13/SDES/380/B/78-79
468/Vol. IX/434

Whereas the Directorate of Education has been receiving a number of complaints from the public and the teachers of Shri Durga English School, Parsem, Pernem for over last several years about the mismanagement of the said school and;

Whereas enquiries into the allegation against the Management of said High School were conducted by this Directorate from time to time and;

Whereas Government after examining this matter upto date, have arrived to the conclusion that the Management of the said school has been continuously indulging in such acts of irregularities which are detrimental to the cause of education and some of which are as below:

1) In April 1983, the Management of said school arbitrarily terminated services of five teachers in contravention of the provision of Grant-in-Aid Code which was then in force.

2) In June 1983, the Manager of the School who received a cheque issued from this Department towards salary grants of teachers encashed the same and utilised the said amount for private purpose depriving the teachers of their salary for three months and thus besides attracting the provision of sub-section (1)(iii) of Section 20 of Goa, Daman and Diu School Education Act, 1984 committed an act of misappropriation with full knowledge of the same.

3) The Manager of the School had obtained building grant and loan from Government for constructing the school building by fabricating documents and records and thus committed an act prejudicial to the public interest in violation of provision of Sub-Section (1)(iii) of Section 20 of the Goa, Daman and Diu School Education Act, 1984.

4) Shri R. M. Sawant who is an Asstt. teacher in the same school continued to function as Manager of the said school for a considerable period by flouting the provision of Sub-Rule (j) of Rule 46 of Goa, Daman and Diu School Education Rules, 1986 and thereby attracted provision of Sub-Section 1(i) of Section 20 of Goa, Daman and Diu School Education Act, 1984.

5) The management arbitrarily terminated services of three Assistant teachers in June 1989 by flouting all the legal provisions to that effect and though their said terminations were not approved by this Department, the Management kept the said teacher out of the school for about twenty months thereby committing an act of managing the affairs of the school in a manner prejudicial to the public interest attracting the provision of Sub-Section (1)(iv) of Section 20 of Goa, Daman and Diu School Education Act, 1984.

6) The Management suspended the Headmaster for four times viz. on 25-4-87, 13-9-88, 2-3-89 and 7-4-89 giving effect to the said suspension orders immediately without prior approval of Director of Education as required under Sub-Section (3) of Section 11 of Goa, Daman and Diu School Education Act, 1984. Though Department of Education has rejected the requests for post-facto approval for said suspensions as none of these cases merited any consideration the said management did not revoke the said suspension orders and continued to enforce the same attracting thereby the provision of Sub-Section (1)(i) of Section 20 of Goa, Daman and Diu School Education Act, 1984.

7) There were atleast two instances in which some teachers of said school who were also office bearers/members of said Society physically assaulted other tea-

chers and the said management did not take any action against the said teachers to prevent such instances in the school and thus with their inaction caused to develop a feeling of silent approval for promoting uncongenial relations in the factions of teachers, thereby attracted the provision of Rule 148, 149 and 152 of Goa, Daman and Diu School Education Rules, 1986.

8) The management instituted an enquiry against a section of teachers and caused them to undertake tours to Mapusa for about 50 to 60 times under the pretext of conducting the said enquiry. Thus the said management by their said act caused the said teachers tremendous physical exhaustion and financial loss, with full knowledge of the same, and by this deliberate act, the said management promoted their avengeful action against the said teachers which caused to devastate the entire harmony in the school premises causing thereby irreparable damage to the cause of Education which act attracts the provision of Rule 149 of Goa, Daman and Diu School Education Rules, 1986.

9) Though, the Directorate of Education by deputing an Officer on 5-11-90 interviewed and instructed the management to maintain harmonious relationship in the school in the interest of the Education, the said management relapsed into its old practice immediately within six months, by issuing an arbitrary order to five of the same teachers asking them to attend the school office daily at 9.30 a. m. from 6th May 1991 to attend disciplinary proceedings/enquiry. This action, without any chargesheet, advance notice etc., aimed only to deprive of the vacation to the said teachers and was clear indication that the said management was determined to continue with their avengeful action which was detrimental to the desired harmony in the school premises and had there been any sincerity of purpose, the said management could detail its action on the lines laid down under the Goa, Daman and Diu School Education Rules, 1986 to that effect. Thus said deliberate act on part of management not only indicates its scant regard to the Rules laid down by Government but also is a clear indication that it has no intention to normalise the situation in the interest of education, thereby attracting provisions of Rule 148, 149 and 152 of Goa, Daman and Diu School Education Rules, 1986.

10) In a so called kidnap case of one Mr. Anil Gad Laboratory Assistant in the same School, in the month of December 1991, the said Management has been in the focus of severe criticism in the local press for their involvement in the cooking of said case to implicate the chosen group of the teachers which has been their target of harassment for over last several years. The office bearers of the said society were arrested in this case by concerned police authorities and cases against them are booked in the appropriate court of Law. With this suspected involvement of the said Management in the cooking of said kidnap case, the said Management has failed to maintain the minimum credibility to assure its ability to manage the affairs of the said school to meet desirable public interest and thus it has attracted the provision of Sub-Section (1)(iv) of Section 20 of Goa, Daman and Diu School Education Act, 1984.

And therefore, now the Government has no other alternative but to invoke the provision of Section 20 of Goa Daman and Diu School Education Act 1984 and to take over the Management of the school for a period of three years for the first instance and therefore the Management of Shri Durga English High School, Parsem, Pernem managed by Gomantak Education Society, Parsem, Pernem is hereby called upon to show cause within ten days of the receipt of this memorandum as to why the Management of the School should not be taken over by the Government for a period of three years for the first instance in terms of the section 20 of Goa, Daman and Diu School Education Act, 1984.

The said Management shall also note that if a reply to this notice is not received by this office, by the due date as stipulated above, it will be presumed that the said Management has no say in this matter and further action as proposed above will be taken.

By order and in the name of the Governor of Goa.

P. V. Salelkar, Director of Education and Ex-Officio and Addl. Secretary to Govt. of Goa.
